

The unique and powerful rack & trolley washing concept from

ELIONA
INDUSTRIAL

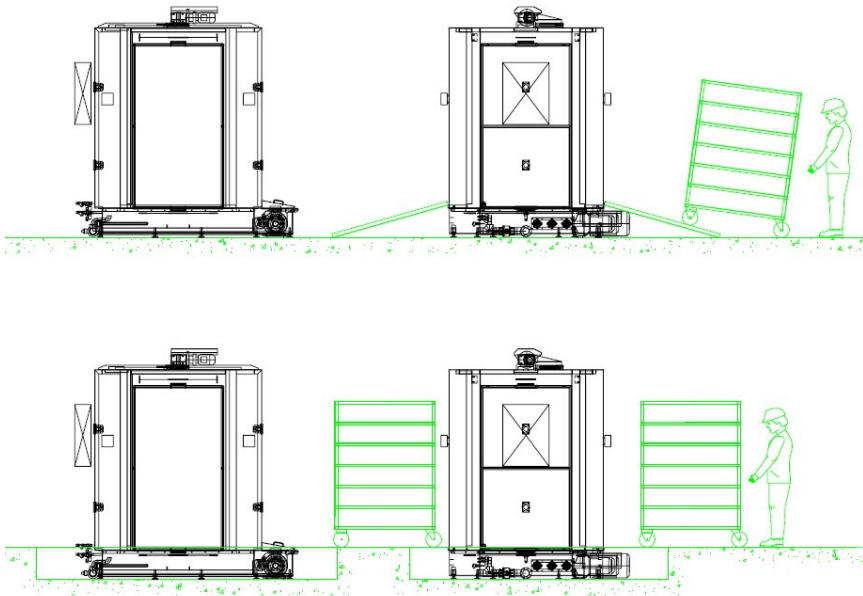

- A fully open and hygienic construction
- Standard front and back loading
- unloading door
- Washing cabin with 4 self-actuated
hydraulic rotating washing arms
- Rotary system, rotating the trolleys
during the complete washing process

The trolley washing machine can also be
equipped with a loading platform

The best Quality / Price Relation

For easy workflow loading and unloading of the trolleys, the machine can be installed into a pit
